AIAIAC
AFRICA

WHERE INDUSTRIAL EXPERIENCE MEETS INTELLIGENT TECHNOLOGY

About AIAIAC Africa

AIAIAC Africa is the premier platform for industrial leaders, engineers, innovators and technology partners shaping the future of asset-intensive industries across the continent. The conference brings together global expertise and local insight to address critical challenges in asset integrity, operational excellence and digital transformation.

Through high-impact keynotes, technical sessions, case studies and solution showcases, AIAIAC Africa empowers organizations to build safer, smarter and more resilient industrial operations.

ASSET INTEGRITY

Advance reliability and safety through data-driven integrity management across the asset lifecycle.

ARTIFICIAL INTELLIGENCE

Leverage AI and machine learning to unlock insights, predict risk and optimize industrial performance.

AUTOMATION

Drive efficiency and consistency with smart automation and integrated operational technologies.

CYBERSECURITY

Strengthen resilience and protect critical systems in an evolving digital threat landscape.

AIAIAC
AFRICA

AN INVITATION TO ATTEND

Technical Chairman
Dr. (Engr.) Gbenga Ayodele Owolabi
(PhD, PMP, CEng, CMarEng, FIMarEST, MIGEM, CBAP, ACIArb, iSEA, IAENG, IASED)

On behalf of the Executive Steering Committee, Advisory Board and Technical Committees, it is my pleasure to invite you to attend and participate in AIAIAC Africa the Asset Integrity, Artificial Intelligence, Automation and Cybersecurity Conference, Exhibition and Innovation Showcase.

AIAIAC Africa is designed as a premier platform for advancing safer, smarter, more reliable and more resilient industrial operations across Africa. The conference will bring together technical experts, industry leaders, asset owners, operators, regulators, researchers, technology providers and investors from the oil and gas, maritime, utilities, energy and heavy-industry sectors.

This edition will place strong emphasis on the growing role of Artificial Intelligence in industrial operations. Participants will explore how AI, machine learning and advanced data analytics can support predictive maintenance, intelligent inspection, asset-health monitoring, anomaly detection, process optimisation, operational decision-making and risk management.

The conference will also examine the use of computer vision, digital twins, robotics, autonomous systems and generative AI in engineering and industrial knowledge management. These technologies are transforming how organisations inspect assets, predict failures, optimise production, manage technical information and protect connected infrastructure.

As industries become more digital and interconnected, artificial intelligence must also be adopted responsibly. AIAIAC Africa will therefore provide an important forum for discussing AI governance, industrial data quality, cybersecurity, human oversight, workforce development and the safe integration of intelligent technologies into critical operations.

Alongside Artificial Intelligence, the conference will address the latest developments in asset integrity management, corrosion control, process automation, instrumentation, industrial cybersecurity, operational technology security and reliability engineering. Through technical presentations, executive conversations, panel discussions, exhibitions and live technology showcases, delegates will gain practical insights into solutions that can improve safety, reduce downtime, strengthen resilience and extend the lifecycle of critical assets.

AIAIAC Africa will facilitate meaningful knowledge exchange between end users, engineers, equipment manufacturers, service providers, regulators, researchers and technology innovators. It will showcase practical, reliable and cost-effective solutions capable of supporting sustainable industrial development across West Africa and beyond.

The conference will also provide sponsors and exhibitors with a valuable opportunity to demonstrate their technologies, engage decision-makers, develop strategic partnerships and strengthen their presence within Africa's growing industrial market.

We warmly encourage your active participation as a Sponsor, Speaker, Exhibitor, Delegate, Media Partner or Knowledge Partner. Your involvement will contribute to the quality of the conversations, solutions and collaborations that emerge from this important gathering.

We look forward to welcoming you to AIAIAC Africa in Lagos, Nigeria, for an impactful experience of knowledge sharing, technology demonstration, business engagement and professional networking.

AIAIAC
AFRICA

ADVISORY BOARD MESSAGE

It is our privilege to invite you to participate in the Asset Integrity, Artificial Intelligence, Automation & Cybersecurity Conference AIAIAC Africa 2027.

As Africa's premier platform dedicated to advancing asset integrity, artificial intelligence, process automation, and industrial cybersecurity, AIAIAC Africa 2027 provides a unique opportunity to engage with industry leaders, innovators, and professionals driving transformation across the oil and gas, heavy industries, maritime, utilities, and energy sectors.

With a dynamic agenda, expert speakers, groundbreaking technologies, and unparalleled networking opportunities, AIAIAC Africa 2027 is designed to inspire actionable insights and foster lasting collaborations. Whether you are a technology provider, asset owner, operator, regulator, investor, or researcher, your expertise and perspective are vital to shaping the future of industrial operations.

We warmly invite you to join us in advancing intelligent innovation, digital excellence, operational resilience, automation, and cybersecurity across Africa and beyond.

Together, let's build a safer, smarter, and more resilient future.

22 - 23 June 2027

Eko Hotel, Lagos, Nigeria

Advisory Board

Dr. Engr. Isaac Adekanye
Ex-Chair IEE and Ex Production Manager | AGIP Nigeria

Engr. Olalekan Oyeleye
Managing Director / CEO | Candid Oil

Engr. Sooravan Tharmalingam
Chief Inspection Consultant, Nigeria | ExxonMobil

Engr. Ester Christopher
Managing Director | MERITECH LTD, Tanzania

Omar Rugebani
Partner and Alliance Director | Cenosco, Netherlands

Engr. Nnanna Charles Ukaegbu
MD / Chief Executive Officer | Orashi Petroleum Development Company Limited

Dr. Mrs. Tina Isichei
Director, Research & Development | Petroleum Training Institute

Engr. Abel Onyemaechi Nwobodo
Founder / Managing Director | Phenomenal Energy Limited

Engr. Ayo Giwa
President and CEO | McAlpha Inc, Canada

Raj Mohandoss
Technical Manager | Jotun Nigeria

Kayode Adeleke
Group Chief Executive Officer | Arridex

Dr. Kola Fagbayi
Ex VP President Business Assurance | BP Petroleum, USA

Engr. Bosede Oyekunle
Chairperson, APWEN, Lagos Chapter | The Association of Professional Women Engineers of Nigeria - A Division of Nigerian Society of Engineers

AIAIAC AFRICA

Technical Chairman

Dr. (Engr.) Gbenga Ayodele Owolabi
Commercial Manager
ANOH Gas Processing Company - AGPC

Engr. David Oni
Head, Subsea Intervention & Construction | Shell Nigeria

Engr. Ikenna Ikonta
Head, Asset Integrity & Plant Optimization | Nigeria LNG Limited

Engr. Olalekan Adeaga
Offshore Installation Manager | Seplat

Engr. Olawale Onasoga
Reliability Engineering Manager | Atlantic LNG

Engr. Paul Aminadokiruaru
Erha Mla Superintendent | ExxonMobil

Dr. (Engr.) Mavis Sika Okyere
Assistant Manager, Pipeline Integrity | Ghana National Gas Limited Company

Engr. Eric Oguama
Manager, Deep Water Assets Inspection | TotalEnergies, Nigeria

Engr. Razaq Shuaib
Asset Operations Support (SMART) Manager | TotalEnergies, Nigeria

Engr. Collins Okaru
General Manager - Technical | Verte Energies Ltd

Engr. (Dr.) Henry Osabohien
Pipeline Expert | ADNOC

Dr. Tamuonemi Efebeli
Pipelines Operations Manager | Renaissance Africa

Engr. Abduganiyu Teslim
Lead, Procurement | ANOH Gas Processing Company, AGPC

Engr. Ikedi Uche
Principal Materials, Corrosion & Inspection Engineer | Shell

Engr. Albert Okechukwu Echibe
Senior Manager, Development and Production | Nigerian Upstream Petroleum Regulatory Commission

Engr. Franklin Okafor
Principal Corrosion Engineer | Shell Nigeria Exploration and Production Company (SNEPCO)

Engr. Olusola Aina
Manager HSSE/QA - HSSEQA | ANOH Gas

Engr. Jeremiah Amodu Peter
Production/Process Engineer | Dangote Petroleum and Petrochemicals

Engr. Edgar Njeje
Managing Director | Petroco and Engineering

Dr. Chukwu Emeke
Base Office Superintendent | Platform Petroleum Limited

Engr. Oluwasegun Lamidi
Facility Engineering Management | Shell, USA

AIAIAC
AFRICA

AIAIAC brings together the tools, talent and trust to power Africa's industrial transformation securely, sustainably, and at scale.

WHY AIAIAC?
WHY AFRICA?
WHY NOW?

Africa's industrial future is at a defining moment. Complex assets, rising risks, and global disruption demand a new way forward. AIAIAC is the integrated platform uniting intelligence, integrity, automation and cybersecurity-built to safeguard assets, improve performance, and create lasting impact across the continent.

AGEING INFRASTRUCTURE

Legacy assets face reliability challenges and increasing downtime risks.

GROWING CYBERSECURITY THREATS

Industrial systems are under increasing attack from sophisticated actors.

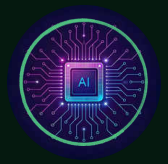

RISING OPERATING COSTS

Inflation, energy costs, and inefficiencies continue to erode margins.

DEMAND FOR SAFER & MORE EFFICIENT OPERATIONS

Zero-harm goals and ESG expectations require smarter, safer operations.

RAPID AI ADOPTION

AI, data and automation are reshaping operations and decision-making.

NEED FOR LOCAL SKILLS, TECHNOLOGY & INVESTMENT

Africa's potential will only be realized through local capability and partnerships.

AIAIAC
AFRICA

WHO THE EVENT WILL BRING TOGETHER

A focused environment for technical exchange, commercial engagement and cross-industry collaboration.

- ASSET OWNERS & OPERATORS
- GOVERNMENT & REGULATORS
- OIL, GAS & ENERGY COMPANIES
- MARITIME & HEAVY INDUSTRIES
- AI & TECHNOLOGY COMPANIES
- ENGINEERING & MAINTENANCE PROVIDERS
- CYBERSECURITY & AUTOMATION SPECIALISTS

AIAIAC
AFRICA

THE CONFERENCE EXPERIENCE

AIAIAC Africa brings together industry leaders, innovators, and decision-makers for 2-days of high-impact content, cutting-edge technology showcases, and meaningful business engagement.

- Executive Keynote Sessions
- Four Specialised Conference Tracks
- Technical Presentations
- Innovation Showcase
- Exhibition
- Executive Roundtables
- Strategic Networking

www.aiaiacafrica.com

AIAIAC
AFRICA

WHY PARTNER WITH AIAIAC?

**MORE THAN SPONSORSHIP.
IT'S A STRATEGIC INVESTMENT IN AFRICA'S INDUSTRIAL FUTURE.**

AIAIAC Africa offers a strategic platform for companies to connect with Africa's industrial future.
Our sponsorship packages are designed to deliver measurable impact and long-term value.

BRAND VISIBILITY

Position your brand at the forefront of Africa's industrial transformation.

THOUGHT LEADERSHIP

Showcase your expertise and influence the conversation shaping the future.

DECISION-MAKER ACCESS

Engage with senior executives, investors, and government leaders driving change.

TECHNOLOGY SHOWCASE

Highlight your solutions to an audience seeking innovation and efficiency.

BUSINESS DEVELOPMENT

Generate high-value leads and build partnerships that drive sustainable growth.

REGIONAL POSITIONING

Strengthen your footprint and reputation across key African markets.

AIAIAC

WHO WILL YOU MEET?

Oil and Gas | Maritime | Heavy Industries | Utilities | Manufacturing | Banking

ASSET INTEGRITY & CORROSION

- Asset Integrity & Reliability Managers
- Corrosion & Materials Engineers
- Inspection / NDT Professionals
- Maintenance & Plant Managers
- Pipeline & Static Equipment Engineers
- Reliability & Condition Monitoring Specialists
- Chief Engineers & Operations Leaders

ARTIFICIAL INTELLIGENCE

- AI & Machine Learning Engineers
- Data Scientists & Analytics Professionals
- Generative AI Specialists
- Computer Vision & Digital Twin Engineers
- Digital Transformation Leaders
- AI Solution & Platform Providers
- AI Governance, Research & Innovation Experts

AUTOMATION & CYBERSECURITY

- Automation & Control Systems Engineers
- SCADA, PLC & DCS Professionals
- Instrumentation & IIoT Specialists
- Robotics & Smart Manufacturing Experts
- IT/OT Cybersecurity Managers & Engineers
- CISOs, Risk & Compliance Professionals
- System Integrators & Cybersecurity Solution Providers

AIAIAC

KEY TOPICS FOR ABSTRACT SUBMISSION

Oil and Gas | Maritime | Heavy Industries | Utilities | Manufacturing | Banking

ASSET INTEGRITY & RELIABILITY

- Risk-Based Inspection & Asset Integrity Management
- NDT, Advanced Inspection & Fitness-for-Service
- Reliability-Centred & Predictive Maintenance
- Structural Integrity, Failure Analysis & Life Extension

CORROSION & MATERIALS

- Corrosion Monitoring & Prevention
- Cathodic Protection
- Advanced Coatings & Materials
- Pipeline, Subsea & Harsh-Environment Corrosion

DIGITAL INTEGRITY & AI

- AI/ML for Asset Health & Failure Prediction
- Digital Twins & Predictive Analytics
- IIoT, Smart Sensors & Remote Monitoring
- Robotics, Drones & Intelligent Inspection

AUTOMATION & CONTROL

- Advanced Process Control & Optimisation
- SCADA, PLC, DCS & Smart Instrumentation
- Autonomous Operations & Robotics
- Industrial IoT & Remote Operations

OT/ICS CYBERSECURITY

- IT/OT Convergence & Cyber Resilience
- Securing SCADA, PLC & DCS Environments
- Zero Trust & Secure Remote Access
- Cybersecurity Standards & Governance

THREAT, RISK & RESILIENCE

- AI-Enabled Threat & Anomaly Detection
- Vulnerability & Exposure Management
- Incident Response & Business Continuity
- Critical Infrastructure & Supply-Chain Security

EXHIBITOR PROFILE

AIAIAC

Oil and Gas | Maritime | Heavy Industries | Utilities | Manufacturing | Banking

ASSET INTEGRITY & NDT

- Asset Integrity Management Solutions
- NDT & Advanced Inspection Providers
- RBI, FFS & Reliability Solutions
- Pipeline & Structural Integrity Companies
- Integrity Management Software

CORROSION & COATINGS

- Corrosion Prevention & Monitoring
- Cathodic Protection Systems
- Coating & Lining Manufacturers
- Specialty Chemicals & Corrosion Inhibitors
- Materials & Surface Protection Technologies

MAINTENANCE & RELIABILITY

- Maintenance & Turnaround Providers
- Condition Monitoring Solutions
- Welding & Composite Repair Companies
- Valve, Pump & Rotating Equipment Services
- Predictive Maintenance Platforms

AUTOMATION & INSTRUMENTATION

- Process Automation Providers
- PLC, SCADA & DCS Manufacturers
- Instrumentation & Smart Sensor Companies
- Robotics & IIoT Solutions
- Control Valve & Remote Operations Technologies

AI & DIGITAL TRANSFORMATION

- AI & Machine Learning Companies
- Digital Twin Platforms
- Predictive Analytics Providers
- Computer Vision & Intelligent Inspection
- Industrial Data & Cloud Platforms

CYBERSECURITY

- OT/ICS Cybersecurity Providers
- Threat Detection & Monitoring Platforms
- Zero Trust & Secure Remote Access Solutions
- Vulnerability & Risk Management Companies
- Cybersecurity Consulting & Compliance Firms

AIAIAC

ABSTRACT SUBMISSION AND EXHIBITOR PROFILE

Maritime

Focus Topics

- Vessel Integrity
- AI Navigation & Maintenance
- Smart Ports

- Industry 4.0 Providers

AI & Digital Technology

Focus Topics

- Generative AI
- AI Agents
- Computer Vision
- Digital Twins & Decision Intelligence

Relevant Exhibitors

- AI Companies
- Cloud & Data Platforms
- Robotics
- Digital Twin & Analytics Providers

AIAIAC

ABSTRACT SUBMISSION

Presentations for AIAIAC Africa 2027 will be selected from abstracts submitted to the Conference Programme Committee.

Early submission is strongly encouraged to allow sufficient time for the committee to review all abstracts electronically. Submissions should be sent through the official conference submission channel at abstracts@aiaiacafrica.com

Abstracts should clearly state the subject matter, objectives, methodology, key findings and important conclusions to be presented in the full paper. Each abstract should not exceed 500 words.

The submission must include the paper title, author's name or authors' names, professional affiliation, mailing address and email address. Abstracts will be evaluated based on originality, technical relevance, practical value and their likely interest to conference delegates.

Abstract Submission Deadline: 30th January, 2027

Speaker registration fee: $1,250

(to be paid upon confirmation of the abstract paper)

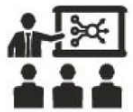

Benefits of submitting an abstract

Grab the opportunity to become a trailblazing force in the global energy industry

- Empower change share your ground breaking work with policy makers in energy sector
- Amplify your influence transcend regional boundaries, propel your research from local confines to the realm of international collaboration
- Gain recognition present you findings with esteemed industrial leaders and influential decision makers

Speaking Session

- Live sessions in-front of delegates
- Certificate of Appreciation and Plaque
- Session should be based on conference theme/key topics only
